Transfer of Civil Veterinary Department to the Agricultural Department.

READ—

Government Order No. R. 9494-6,—Agri 38-05-20, dated 24th April 1907, sanctioning a scheme for the organisation of a Civil Veterinary Department in Mysore, under the control of the Revenue Commissioner in Mysore.

2. Correspondence ending with letter C. 2806, dated the 2nd February 1920, from the Revenue Commissioner in Mysore, reporting that the Department has not developed and progressed as well as could have been expected and submitting certain proposals for the improvement of both supervision and propogandistic work of the Department.

ORDER NO. R. 2044-55—R. M. 11-19-17, DATED 12TH AUGUST 1920.

In connection with the proposals received from the Revenue Commissioner, and in view of the recent appointment of a Live Stock Expert in the State, Government have considered the question of transferring the control of the Civil Veterinary Department, from the Revenue Commissioner to the Director of Agriculture in Mysore. The views of both these officers on the subject have also been obtained. The Director of Agriculture considers that the transfer of the Civil Veterinary Department to the Agriculture Department and the vesting of its technical control with the Live Stock Expert, would add to the efficiency of the Veterinary Department, and the Revenue Commissioner has no objection to the change being tried.

2. Government concur in the view of the Director of Agriculture and are pleased to direct the transfer of the control of the Civil Veterinary Department from the Revenue Commissioner to the Director of Agriculture in Mysore. The necessary rules for the departmental procedure should be formulated by the Director and submitted for the orders of Government.

By Order,
B. RAMASWAMAIYA,
Secretary to Government,
Revenue Department.

To—The Revenue Commissioner in Mysore.
The Director of Agriculture in Mysore.
The Secretary to Government, Education and Agricultural Departments.
The Comptroller to Government.
The Deputy Commissioners of Districts.
